

2024 ACPV Workshop

April 14, 2024

Salt Lake City, Utah

Salmonella Outbreaks: Different Perspectives on Foodborne Pathogen Outbreaks

Program Chair: Michelle Kromm and Tim Johnson

Fundraising Chair: Roy Jacob

ACPV is excited to present the 2024 ACPV Workshop titled, Salmonella Outbreaks: Different Perspectives on Foodborne Pathogen Outbreaks. Topics will include an overview of salmonella from the regulations and foodborne outbreak perspective, the outbreak communication standpoint, the role of litigation, and help us to improve human health outcomes.

Speakers include Dr. Emilio Esteban, Dr. Heather Carleton, Dr. Matt Wise, Mr. Michael Grabell, Dr. Bob O'Connor, Mr. William Marler, Ms. Alyssa Rebensdorf, Dr. Randy Singer, and Dr. Tim Johnson.
