

2025 ACPV Workshop Update for ACPV Board of Governors – Feb 2025

Program Title: Current Perspectives on Poultry Welfare

Workshop Website: <https://aaap.memberclicks.net/workshops>

Date: April 6th, 2025

Location: Calgary, Alberta, Canada

Co-chairs: Kathleen Long, Kate Barger-Weathers, Ken Opengart

Registration: As of Jan 29th, 2025, there are 44 workshop registrants, including registered speakers.

Fundraising: We have \$12,600 USD committed as of February 11th, 2025, and have not yet met our fundraising goal of \$15,750 to cover costs of the event and speakers.

Key Issue: PEAK overlaps ACPV Workshop and WPDC again this year, which is reducing the number of registrants. We are continuing to promote on LinkedIn and elsewhere to attract more local/regional attendees who are not necessarily poultry veterinarians but are interested in poultry welfare.
