Core Committee Members:	Patti Dunn John Dunn Bruce Calneck Art Bickford Celina Buscaglia John Donahoe Richard Witter Ton Schat Milos Markis Christina Lindsey Gabriel Senties-Cue Kim Sprout Francene Sambeek Mark Bland
Additional Committee Members:	Joseph Giambrone Robert Owen Mo Saif Helen Wojcinski Branislav Gmuca Michael Quist Mohamed El-Gazzar Shahid G Schallegger Katie Krothapalli Elena Behnke Jason Sousa

Briefly explain the topics discussed during your committee meeting

1. Lasher-Eckroade History Lecture will resume next year in 2021 with the topic of genetics/primary breeders by Jim McKay.
2. Biography Project led by Gabriel Senties-Cue is making great progress with latest biographies from Aly Fadly, Marcus Jensen, Jagdev Sharma, Peter Rose, Ton Schat, and Barrett Cowen. Recent updates will be available here.
3. Avian Diseases cover project (led by Ton Schat): We are always soliciting input for professionals to be recognized, with the following criteria: A) individual's contribution to poultry medicine, and B) service to AAAP. Clear guidelines on how to submit names for the cover project will be available online on the AAAP website at a later date.
4. Historical articles from the history lectures are in progress for publication, including IBD and pullorum disease.
5. We wanted to bring you awareness to the American Veterinary Medical History Society, which its primary mission is the preservation and dissemination of Veterinary History. Membership is only \$35/year and has activities such as sponsorship of the annual student vet history essay contest, registry and recognition of Heritage Veterinary practices, and more. Fun fact: current member and past president, Helen Wojcinski mentioned that this year (2020) is actually the 4th time AVMA was cancelled due to unforeseen events! More information on joining the society is here: <https://www.avmhs.org/>

Optional: Upload files pertaining to your meeting.

Can you inform the AAAP Board of Directors about any issues, pending legislation or foreseeable rule making by the federal government in your committee's area? If so, please list.

N/A

Could your committee create a white paper on an issue or issues that may require Board action?

No

Is your committee interested in organizing a symposium and if so, when? (Committees interested in conducting a symposium must submit a symposium proposal to the board of directors no less than one year in advance. Two years is optimal. There is a symposium proposal form including a timetable available on the website.)

We already do the Lasher-Eckroade History Lecture but we are open to suggestion!

Does your committee have a product in mind that will benefit the AAAP membership, poultry community or public at large? If so, what and what is your timetable?

Yes, we are working on a project to look at criteria for submitting names for the Avian Disease cover art project.

Do you have topics to suggest for the Research Priorities committee?

No
