Briefly explain the topics discussed during your committee meeting.:

Soliciting a response from the committee members was a struggle this year; therefore, this report reflects action taken by the chair alone. In the last year we were asked to review the revised organizational committee structure as recommended by the BOD and reflected in the Procedures Manual. Recommendations were made to help further differentiate between the new committee groups and the leadership of those groups as well as formatting or other minor edits.

Required: Upload your most up to date committee roster, including core members and subcommittee members.:
