Can you inform the AAAP Board of Directors about any issues, pending legislation or foreseeable rule making by the federal government in your committee's area? If so, please list.:
NA

Could your committee create a white paper on an issue or issues that may require Board action?:
NA

Does your committee have a product in mind that will benefit the AAAP membership, poultry community or public at large? If so, what and what is your timetable?:
Benefits for the AAAP membership are the ongoing projects providing front covers for Avian Diseases, adding autobiographies to the website and publishing historical articles in Avian Diseases by members selected to give the history lectures during the AAAP annual meetings. Rob Porter asked if we want to submit a proposal for a symposium. We may want to pursue this idea perhaps in combination with a proposal by othe committees.

Do you have topics to suggest for the Research Priorities committee?:
NA
