

The Indiana Animal Disease Diagnostic Laboratory (ADDL) at Purdue University invites applications for a Veterinary Diagnostician at the Heeke ADDL located at the Southern Indiana Purdue Agricultural Center (SIPAC) in Dubois, IN. This position will direct the administrative and professional activities of the ADDL Heeke Laboratory located in Dubois, IN. This position oversees the diagnostic activities of the laboratory including supervision of technical and clerical personnel with local oversight of the Quality System. The individual will diagnose diseases in animals and samples submitted to the laboratory including histological examination of tissues, and will communicate results to ADDL clients, veterinarians, and governmental representatives.
