

## **Veterinarian - Clinical Poultry Medicine**

The Department of Population Health, Poultry Diagnostic and Research Center (PDRC), College of Veterinary Medicine, The University of Georgia is seeking a veterinarian to fill a position in clinical poultry medicine. Requirements include the DVM degree or equivalent and board certification (or eligibility for examination) by the American College of Poultry Veterinarians. Masters or Ph.D. degrees are also desirable. Responsibilities include clinical services to the poultry industry and major participation in instruction in the Master of Avian Medicine and the online Master of Avian Health and Medicine degree programs. This position will be a non-tenure track clinical professorship. Salary and rank are dependent on qualifications and training. Interested persons should submit their curriculum vitae and names of 3 professional references. Deadline for receipt of applications for full consideration is March 31, 2014. Anticipated start date is July 1, 2014.

Questions regarding this position should be directed to Dr. Mark W. Jackwood, Head Department of Population Health ([mjackwoo@uga.edu](mailto:mjackwoo@uga.edu), 706 542-1904).

Applications should be submitted to: **Clinical Poultry Medicine Search Committee, Department of Population Health, University of Georgia, 953 College Station Road, Athens GA 30602** or by email to Ms. Doris Lord [dlord@uga.edu](mailto:dlord@uga.edu) with "Clinical Poultry Medicine Committee" in the subject line.
