AMERICAN ASSOCIATION OF AVIAN PATHOLOGISTS

## Awards Luncheon

August 8, 2016

Salon E

Marriot River Center Hotel

San Antonio, Texas

12:00 PM

Dear AAAP Members and Guests:

Welcome to the annual AAAP Foundation Awards Luncheon. The AAAP Foundation encourages excellence and enables opportunity for those dedicated to nourishing the world with a sustainable abundance of healthy poultry. Today we honor our distinguished members and recognize their accomplishments, from early career achievement to long-term contribution to our profession.

I would like to thank our awards luncheon sponsor, Zoetis Global Poultry. Their generous, ongoing support has made this event possible again this year. Zoetis, CEVA, Merial, Merck, and Elanco are our Diamond Level meeting sponsors with contributions of \$10,000 and over. Please thank them for their support. The support of other meeting contributors is gratefully acknowledged. Their generosity makes this meeting possible and enables us the opportunity to gather as colleagues and friends.

We are grateful for the dedication of those who serve on the selection committees, including the Awards Committee, Kenneth Eskelund Preceptorship Committee and the Poultry Scholarship Committee. These AAAP members work hard but also experience the rewards of learning more about our newest members as well as those who are long-serving. Thanks also to the executive staff and the banquet staff for their efforts on our behalf.

The AAAP Foundation Board administers the charitable donations to the AAAP Foundation in support of scholarships, preceptorships, award endowments, scientific publications and scientific meeting support. Please include the AAAP Foundation in your philanthropy; there are many deserving activities to support.

Thank you for attending our awards banquet. Enjoy your meal with friends and your time in San Antonio. Congratulations in advance to the award recipients!

Frederic J. Hoerr  
President, American Association of Avian Pathologists Foundation
