

AAAP Excellence in Mentorship Award

Introduction

The AAAP Excellence in Mentorship Award is given to member of the AAAP who has demonstrated a passion for mentoring students and/or fellow colleagues.

Qualification Criteria

The nominee must be a member (any category) of the AAAP and served as a mentor for at least five years.

Awards will be based on the following information:

1. The cover letter is the letter of nomination. This letter should include a statement of how the AAAP member has been an advisor, guide and teacher to help others within the poultry industry grow and develop both personally and professionally.
2. At least one, but no more than three seconding letters.
3. Biographical information 1-education.
4. Biographical information 2-professional position(s).
